Big changes in healthcare — will they change your financial life?

HOST BIO: **Lorna Sabbia**

Lorna Sabbia is a 25-year veteran with the firm and is currently head of Retirement & Personal Wealth Solutions at Bank of America. She is responsible for both the institutional and personal retirement capability set to include 401(k),[1] equity[1] and health benefit plans[2] for companies of all sizes, as well as college savings, personal retirement planning, retirement income planning and insurance for individuals. Prior to this role, she served as head of Managed Solutions and head of the Client Solutions Group.

Lorna is a member of the firm's management and operating committees and executive sponsor of the company's Diverse Leader Sponsorship Program. She co-chairs the firm's Global Diversity & Inclusion Council and serves as market sponsor for the Knoxville market. She is also chair emeritus for the Money Management Institute's board of governors.

Lorna earned a bachelor's degree in business administration from Boston University. She is a member of the Women Against Alzheimer's Leadership Council, the World Dementia Council and board member for More Than Words, a Boston-based job training and youth development program. She also serves on the Executive Advisory Council of the Pat Summitt Leadership Group.
